## WISH LIST

The Humane Society of Logan County is a Not-For-Profit organization, relying solely on fund raising events and contributions. Ultimately, the best way to help HSLC is to make a monetary donation. Our existence is only possible through the support of our community. In order for us to pay employees, pay utilities, insure the good health of our animals, feed the animals and maintain the Shelter we need over \$80,000 yearly. *Please show your support for our work by assisting us in our mission.*
