**2023 ANNUAL REPORT**

It has been my honor to serve as a member of the Humane Society of Logan County since 2016, and as President since 2020. The absolute best reward not only for the board, and our host of wonderful volunteers, is seeing our animals, regardless of the environment from which they came, walk out the door with a loving family that you know in your heart will take the very best care of them for the rest of their lives.

As a 501(c)3 organization, the Humane Society of Logan County does not receive any state or federal funds. Through our fundraising efforts, the very generous support by our Logan County community, along with local organizations, businesses, schools and grants received, we were able to raise nearly \$95,000 toward the new 400 sq ft addition.

Architect Jim Manning donated his time and expertise to draw the proposed conceptual floor plans for Phase 1 and Phase 2 of the new shelter addition. A meeting was held with JH Petty Architects to review the proposed conceptual floor plans, and the scope of the project. Phase 1 included foundation, shell, roof, and mechanicals. Phase 2 included all the interior finishes. Jeff Short, an Engineer, and HSLC Volunteer agreed to serve as Project Manager. A groundbreaking ceremony for the new addition was held on May 11<sup>th</sup>, 2023

Due to staff shortages, the Animal Protective League discontinued the transport in February 2023. On October 14<sup>th</sup>, 2023, the Humane Society of Logan County partnered with Green Prairie Animal Hospital in Lincoln, Illinois to offer reduced cost spay and neuter pet surgeries for low-income residents of Logan County. Vaccines, microchips, nail trims, and additional treatments such as flea and dewormer medications are also offered to residents at a reduced cost.

Effective 8/1/23, the Humane Society implemented a Food Pantry Policy requiring an annual approved application.

Janice Funk implemented and chaired a new shelter Reading to Cats program held in June 2023 enjoyed by summer school students from Washington Monroe and Northwest schools.

On behalf of the Humane Society of Logan County, our Board of Directors, and Volunteers, we are grateful to you and appreciate your friendship, love and support.

Sincerely,

*Lynnette S. Maske*

# FOREVER HOME CEMETERY

The Forever Home Cemetery is an affiliate of the Humane Society of Logan County and is located on the grounds of the HSLC. It was formed in 2012 by a group of members who wanted a local cemetery where people and pets could be buried, while contributing to the financial solvency of HSLC.

Each 3'X5' plot can accommodate as many as four urns containing the cremated remains of people or pets. Plots can be pre-purchased, or purchased at the time of need. Also offered are grave markers, urns, benches, bricks, memorial pieces and perpetual care.

The scatter garden offers an alternative to interment. Animal ashes may be scattered in the garden, and memorial bricks can be placed along the walkway, or taken home. The beautiful gazebo can be reserved to hold services, celebrations or other gatherings.

Judy Hale has been an important asset to the Forever Home Cemetery by providing brochures and information to our Logan County funeral homes. Four lots were sold in 2023.
